

# Bob Bruce Enterprises

## Construction Worker – Full-Time

Bob Bruce Enterprises is a growing family-owned Residential Swimming Pool Construction & Service Company in need of **Construction Workers** to staff multiple upcoming projects. We're hiring for a permanent **full-time** position. We are a growing family-oriented company looking for a long-term, honest, motivated and trustworthy Construction Workers with experience, but we can also take on individuals with no prior experience. We offer safe, educational training on the job as well as opportunities for advancement.

### RESPONSIBILITIES:

- Perform all duties assigned by the Construction Manager or Foreman
- Carry materials and supplies from trucks to job site so they are ready for installation or other tasks
- Test equipment and machinery to ensure it is in good working order
- Clean up job site at end of day and ensure all equipment is properly secure for the night
- Learn carpentry, electrical work, plumbing and other specialized skills as required by the construction manager
- Follow instructions to ensure safety of entire team

### SKILLS:

- Fluent in English
- High school diploma/GED preferred but not required
- Professional attitude & appearance at all times
- Experience on a construction crew preferred, but not required
- Willingness to learn construction skills on-site
- Ability to complete work on time with minimal supervision
- Excellent verbal communication skills
- Ability to work in all weather conditions
- Ability to maintain client confidentiality
- Able to pass standard background check

### COVID-19 considerations:

Employee temperatures are taken upon arrival to work

Employees are required to wear masks as mandated by current local laws, and maintain 6 ft. social distance from others if not wearing a mask while on job sites
